CAREER OBJECTIVE

Android App Developer with hands-on experience through professional apprenticeship and certified Android training. Strong foundation in Java, XML, Firebase, REST APIs, and Android Studio. Seeking an entry-level Android Developer or Android Trainee role to contribute to scalable, user-centric mobile applications.

PROFESSIONAL EXPERIENCE

Android App Developer (Apprenticeship)

Digicoders Technologies Private Limited
📍 Lucknow, Uttar Pradesh
📅**July 2025 – September 2025 (3 Months)**

- Worked as an Android App Developer under professional supervision.
- Assisted in end-to-end Android application development lifecycle.
- Implemented UI components using XML and Material Design guidelines.
- Integrated REST APIs and Firebase services for authentication and data handling.
- Collaborated with team members to debug, test, and enhance application performance.
- Gained exposure to project monitoring, code optimization, and version control using Git.

TRAINING & CERTIFICATION

Summer Training – Android Development (A+ Grade)

Digicoders Technologies Pvt. Ltd.
📅**01 August 2024 – 15 September 2024 (45 Days)**

- Completed intensive hands-on training in Android application development.
- Developed multiple Android apps using Java and XML.
- Learned Firebase Authentication, Realtime Database, and API integration.
- Practiced real-world project implementation and debugging techniques.

PROJECTS

Car Rental App (Java + Firebase)

- Booking system with status tracking (Upcoming, Ongoing, Completed).
- Firebase Authentication and Realtime Database integration.
- Dummy payment gateway implementation.
